

Move better at every stage of life

Assisted Stretch Therapy, Mobility & Personal Training · Avon, Indiana

Core Wellness Solutions helps people move with less stiffness, better balance, and more strength. We combine hands-on assisted stretching, mobility work, and functional strength training, and every plan starts with a one-on-one assessment of how **you** move.

WHO WE WORK WITH

Private clients

1:1 personal training, assisted stretch, or both, in a private studio setting.

Youth & teen athletes

Flexibility, mobility, and recovery for growing athletes, with parents kept in the loop.

Senior living communities

On-site fall prevention, chair-based, and mobility programs for residents.

First responders

Express recovery stretch and mobility screens delivered to the station.

Workplaces

Stretch pop-ups, mobility assessments, and ongoing employee wellness.

Community

Events, free clinics, and our women's flag football league.

WHAT A SESSION LOOKS LIKE

- **Assisted stretch:** you relax while your practitioner guides each stretch, working within your comfort and never into pain.
- **Personal training:** strength, balance, and functional movement built around your goals and health history.
- **Hybrid:** training plus stretch for the best of both.

WHY CLIENTS CHOOSE US

- Certified in personal training, senior fitness, fall prevention, and stretch therapy
- Experience with every age, from youth athletes to adults in their 80s
- Plans built from a real assessment, not a template
- Clear pricing, honest timelines, no pressure

GETTING STARTED

01

Reach out

Call, text, or email to ask questions and find a time.

02

Intake

Complete a short health and goals form.

03

Assessment

First session: we check how you move and where you're tight.

04

Your plan

Pick the session type and frequency that fits you.

PRICING

Individual sessions and packages are available for training, assisted stretch, and hybrid plans. Group, facility, and workplace programs are quoted by program. Ask for current rates.
